Dear Mr. Granade:

The CI number accompanying the Waste Discharge Requirements (WDR) Order Number R4-2005-0030, Series Number 026, should be CI-8955 rather than CI-8954. The original number is incorrect on the documents you received. Please use the correct number when submitting reports to the Los Angeles Regional Water Quality Control Board, so that the reports are assigned to the correct project by the Information Technology Unit.

Please contact me at (213) 576-6724 if you have any questions.

Sincerely,

Peter J. Raftery, C. Hg.
